

REMARKS

This amendment is submitted to in order to obviate informalities in the claims.

The undersigned telephoned Examiner Coleman and advised of the submission of this Amendment, amending the claims and removing the reference numerals. This submission should not raise any issues that will affect the patentability of the claimed invention.

The examiner is encouraged to contact the undersigned if there are any outstanding matters in connection with the filing of this amendment.

Request for Entry

For all the reasons set forth above, Applicants respectfully requests that this Amendment be considered and entered into the record prior to issuance.

CONCLUSION

Applicants believe that no fee is due with the submission of this paper. However, in the event any variance exists, Applicants hereby authorize the Commissioner to charge or credit undersigned's **Deposit Account No. 50-0206** to cure any such underpayments of overpayments of fees as required in conjunction with this filing.

Respectfully submitted,
